About Us

Hawkamah is a world-class corporate governance institute, established in 2006, affiliated with Dubai International Financial Centre, working to improve corporate governance practices of governments and companies across the MENA region.

We help build sound organizations, reform corporate sector, assist banking and financial sector, and promote good governance. We assist companies to develop sound and globally recognized corporate governance frameworks. Hawkamah helps also in building qualified directors and top executives who are able to apply corporate governance in their organizations.

Our strength lies in our research and years of experience in the region, our world-class experts, and proximity to the countries and companies of the MENA region.

Hawkamah has partnerships with most of the leading corporate governance institutions regionally and globally.

Members Meetings

The background of the slide features a composite image. On the left, there is a large, semi-transparent grey diamond shape. The main background is a city skyline with several skyscrapers. Overlaid on this skyline are the silhouettes of four people in profile, facing right, appearing to be in a meeting or discussion. The silhouettes are semi-transparent, allowing the city buildings to be seen through them. The overall color palette is muted, with greys, blues, and a hint of red/pink from the silhouettes.

Members will have access to our governance events in several states across the country and hosted by professionals. This will provide discussion forums for members to share knowledge, ideas, and experiences.

Professional Knowledge and Direction

We provide an electronic newsletter covering latest governance news and an online resource library. Members can search and access documents, articles & professional tips. Members can also contribute to the newsletter, making them more visible to potential opportunities.

Board Members' Support

Hawkamah members can get support and advise from Hawkamah team on various board-related issues. This service aims to help board members, especially newly appointed ones, get the support they may need as board and committee members.
